Hello Steve,

This is just a short note to let you know how pleased we are with the work performed by your representative, Hank Hanna, back on the 19th of May. He was extremely thorough in every aspect of the install, from hiding the wire in the walls, to placing extra pull string anticipating future expansion and much more. He made sure everything was tested and working smoothly and to our satisfaction before he left the premises. It was a pleasure to work with him.

You should be very proud to have someone like Hank working for you. His extra efforts were very noticeable and we really appreciate the job he did.

Yours truly,

Phil Braniff
