**Re: Derrick Miller  
Milner Voice & Data Service Associate**

Dear Mr. Roberts:

First and foremost, I would like to thank you for servicing my company for the past two years with your ESI Telephone System. When we first moved to Coral Springs in February of 2004, our company was comprised of only eight employees including myself – partner and CFO. Today, I am proud to say that our company has twenty-seven employees and continues to grow thanks to vendors like you who provide quality telecommunications solutions.

During our two years here in Coral Springs, Derrick Miller – our service representative – has done an excellent job handling our office needs. He always comes to our offices with a positive attitude and a smile on his face as if we're family. He's grown to know many of our employees on a first name basis, and he's very knowledgeable of the position in which he holds. Whenever there is a technical problem with our phone system, we can contact Derrick on his mobile phone and he doesn't hesitate to provide us with the information we need to alleviate the issue at hand. Derrick, in our eyes, is a highly skilled and diligent professional, whose worthy of many accolades for a continuous job well done.

I felt it was my duty to share with you what an awesome associate you have on your team; but I'm sure you already know that! Thanks again for two years of wonderful service. I look forward to our partnership for years to come.

Very Truly Yours,  
Vantage Hospitality Group, Inc.
